The Curtis/s Family Society - Paper Clips

These paper clips have been compiled from a number of sources. Some paper clips have been sent to me from local newspapers, or from various individuals. Most have been collected in electronic form from newspapers or other sites on the Internet. Individuals who submitted paper clips are cited at the end of the submitted paper clip. Newspaper and other sources are also cited.

The full paper clip may be seen on the page indicated in the index after each name.

Most paper clips are obituaries, but a few are newspaper clippings about other events in the lives of a Curtis/s relative. Where possible, parents and spouses have been underlined.

Arthur E. Hutchinson, Genealogist, and Archivist of the database for *The Curtis/s Family Society* has reviewed many of the paper clips and has been able to identify the families and genealogical line of many of those. A few other paperclips have been identified by the compiler and others. All those comments are included in red at the end of each paperclip.

Hopefully, users of these paperclips will find members of their families in this collection.

We hope that if anyone has any additional information about any of the paper clips listed, that they please forward that information to the compiler below to be included in future editions of these paper clips, and to be forwarded to the *The Curtis/s Family Society*.

This collection of **The Curtis/s Family Society – Paper Clips for 2008** belongs to the *Curtis/s Family Society* and to the compiler. Any reproduction, or any other use, of any of the contents of **The Curtis/s Family Society – Paper Clips for 2008** is encouraged, but must include a reference to **The Curtis/s Family Society – Paper Clips for 2008** and to *The Curtis/s Family Society*.

She graduated from Springfield College in 1983. Cheryl pursued a career in carpentry and housing maintenance. Her favorite job was as a job counselor and carpentry instructor for Northern New England Tradeswomen in Vermont, helping women prepare for jobs in the skilled trades. Cheryl's life-long passion for Alaska and the outdoors drew her back to the state in 1994. In the last part of her life, Cheryl dedicated herself to helping people heal. She entered a program for a master's degree in social work but declining health prevented her from completing the degree. She used her training to help other people with amyloidosis through participation in an online community. She started an amyloidosis chat room and participated in support groups around the country. Cheryl loved hiking, sea kayaking, biking and picking blueberries in high remote areas frequented only by bears. When she could no longer hike or kayak under her own power, Cheryl adopted a rescue dog as a "cardiac assist device," and spent many happy hours skijoring and bike-joring. Cheryl will always be remembered for her adventurous spirit, zest for life, giving generously of her time to others, her love for animals and nature, her wild blueberry concoctions, her ability to solve challenging problems, her imagination and creative mind and for modeling for each one of us how to be a true and loyal friend." Curtis, Fred - (Bristol Herald Courier, Bristol, VA) (1/6/2008)

WISE, Va. – Fred Carl Curtis, 59, died Monday, Dec. 24, in a Little Rock, Ark., Hospital. Carl loved life and showed that for the past 11½ years. He lived life as if there was no cancer. When asked how he was doing, Carl would always say, "I am fine." On Dec. 1, Curtis was one of 38 multiple myeloma 10-year-plus survivors recognized at a tribute by the Myeloma Institute for Research and Therapy of the University of Arkansas for Medical Sciences. During an address at that event, Carl spoke of the opportunity and responsibility survivors have to be encouragers to new patients who are overwhelmed and scared, who "need to know there is hope; we are living proof of that fact." Curtis was born in Lexington, Ky., raised there and in Richmond and Norfolk, Va., and attended Old Dominion University. He served in the U.S. Navy, Naval Air, from December 1968 to September 1974. He moved to Wise in December 1973. Curtis worked in the engineering field for his entire professional career, the bulk of those years at Thompson and Litton, Environmental Monitoring Inc. and Appalachian Technical Services. He retired from ATS in November 2005. Curtis had been involved in a variety of civic activities throughout his life, including helping to found the Blue Marlin Swim Team. He was a member and past president of the Wise Business Association, a member of the Wise County Chamber of Commerce and was one of the early members of the chamber's Forward Wise County leadership program. He was a member of the Wise Baptist Church. Curtis is survived by his wife, Becky Lynn Mullins Curtis of Wise; sons, Trevor Gray Curtis of Blacksburg and Cameron Hunter Curtis of the home; father, Allen Carpenter of Virginia Beach; sister, Lee Achor and Mick Achor of Virginia Beach; and three nephews, Richard, Christopher and Josh Achor of Virginia Beach. He was preceded in death by his mother, Dell Jones Carpenter; maternal grandparents, G.C. and Maude Jones; and paternal grandparents, Cecil and Leola Carpenter. A celebration of the life of Carl Curtis will be held Saturday, Jan. 5, at the Wise Baptist Church. The service will begin at 11 a.m., with a luncheon/reception following in the fellowship hall. It was Carl's wish for everyone to have a good time catching up with each other and telling great and funny stories. In lieu of flowers, the family requests donations be made to the University of Arkansas for Medical Sciences, ATTN: Myeloma Institute for Research and Therapy, 4301 W. Markham St., Slot 816, Little Rock, AR 72205; or to Wise Baptist Church, P.O. Box 777, ATTN: Youth Bus Fund, Wise, VA 24293.

(Is this Fred Curtis really a Curtis, or is he a Carpenter whose surname somehow became Curtis? Should he be included in our paperclips??....Art C.

Art C. – This is a puzzle. I suspect that Allen Carpenter is a step-father but cannot find any proofs either way. I found the additional obituary copied next below. As I read it, his father was Fred Carl Curtis I. [AEH])

Curtis, James A. - (NWsource, Seattle, WA) & (Desert Sun) (3/12-13/2008)

1927 ~ 2008 Jim was devoted to his family, friends and community. He never questioned if Life's glass was half-empty or half-full -- Jim's glass was always overflowing. His optimism and energy were contagious as he mentored, encouraged and touched the lives of many people. Jim passed peacefully into our gracious Lord's arms at his home on March 6, 2008, following a courageous battle with Idiopathic Pulmonary Fibrosis. His presence on Earth will be deeply missed by all who had the privilege to know him. He was born in Bayard, Iowa on July 1, 1927, where he lived until the age of 14 when the family moved to Sacramento, California. Immediately after high school, Jim enlisted in the U.S. Navy where he was an aviation radioman and discovered his life-long love for flying. After two years in the Navy, he returned to Sacramento and married Betty O'Conner. He was graduated from Sacramento Junior College and Drake University, graduating with a B.S. in Actuarial Science. Jim came from a musical family and loved all music, particularly jazz. He worked his way through college playing his string bass in bands in California and Iowa. Up until his illness he loved getting together with a special group of musician friends to "play some music." Upon graduation, Jim began his 42 year career as an actuary. He moved to Seattle in 1954 and in 1957 joined the actuarial consulting firm of Milliman & Robertson, Inc. (now Milliman). He served as its Chairman, President and CEO for ten years preceding his retirement in 1993. Having joined the firm as its sixth consultant, he was both amazed and proud that it has grown to some 2,000 employees, with over 47 U.S. and worldwide offices. Retirement didn't mean retirement from life; to Jim it simply meant more time for a wide range of interests --fishing from his boat at sunset near his home on Orcas Island, flying his own airplane, experimenting with his camera and playing golf. He took up golf as a teenager and continued to play at every opportunity. While he was fortunate to have played many of the world's great golf courses, he was quick to say "he never met a golf course he didn't like." He served on the Executive Committee of the United States Golf Association for four years, which gave him the opportunity to

be an official for such tournaments as the Masters and U.S. Open. He was a member of the Royal and Ancient Golf Club of St. Andrews in Scotland, a past president of Broadmoor Golf Club in Seattle and actively involved in Seattle Golf Club and Thunderbird Country Club in Rancho Mirage, California where he and his wife, Diane, enjoyed their winter retirement home. He earned his private pilot's license at the age of 45, and continued his passion for flying through an active involvement with the Museum of Flight where he served as Chairman for two years. He served on numerous boards of community and professional organizations throughout his career. He was a member of Washington Athletic Club's 101 Club, Seniors Northwest Golf Association, Palm Springs Desert Seniors Golf Association and the Committee of Twenty Five in Palm Springs, CA. Jim is survived by his loving wife of 20 years, Diane Bowen Curtis, son David Curtis (Josie) of Issaquah, daughter Rachel Cox (Gary) of Adin, CA, and nephew Craig Nelson (Suzie) of Mercer Island. He is also survived by five granddaughters, Jennifer Connoughty, Melody, Bailey and Erin Cox, and Isabella Sun. He was preceded in death by his parents, Austin and Bertha Curtis and sister Ruie Nelson. There will be a private family Burial Service at Tahoma National Cemetery. A Celebration of Jim's life will be held later this spring. The family suggests that remembrances can be made to the Jim Curtis Memorial Fund at the Museum of Flight, 9494 East Marginal Way South, Seattle, WA 98108; or, to a charity of choice.

Curtis, Mervin Wesley, Columbia Basin Herald, Moses Lake, WA). (8/11/2008)

, 91, of Moses Lake, Wash., went to be with the Lord on Thursday, Aug. 7, 2008. He was at home with his wife, three daughters, and other family members nearby, and had a very peaceful passing. Mervin was born May 30, 1917, at Waltham, Mass., to William Herbert and Pearl Violet (Ladd) Curtis. "I was too young to remember whether I was born in a hospital or at home, or what time of day it was, but am certain I was born with a Memorial Day Wreath around my neck!" (Quote from him on May 9, 2008) Mervin is survived by his wife, Georgia, at their home in Moses Lake, three daughters and three sons-in-law, Mike and Joyce Mulliken, Moses Lake, David and Janet Garrett, Selah, Nick and Donna Tommer, Ephrata. Five grandchildren; Dan Mulliken, Wenatchee, Chris Tommer, Ephrata, Hillary Garrett, Portland, Ore., Jada Tommer Molitor and husband, Dan, Tempe, Ariz., and Jeff Garrett, Bellingham, two sisters Geneva Garrett and Madeline Lauzier, Mexico, Maine, brother, Robert Curtis, Bucksport, Maine, and numerous nieces and nephews. He was preceded in death by his father, mother, brothers' Leon and Billy, and infant daughter, Judy Louise. Mervin W. Curtis, being extremely patriotic, served his country during World War II in the South Pacific, and later volunteered for a special mission under General Frank D. Merrill. He received numerous citations, including the Bronze Star. He enjoyed attending the Merrill's Marauders annual reunions, and communicating by e-mail with other WWII veterans when he could no longer travel. As his military years came to an end and while recovering from cholera, he met the love of his life, Georgia Alberta Chick and they have shared short of 65 years of marriage which began in Maine, and moved to Washington state in 1954 to date. Using his military veterans' benefits, he attended the University of Maine as a forestry and wildlife conservation student. He didn't care for botany or zoology, so he switched his major to civil engineering. Mervin's work history began very early in his life and culminated with his employment at the Department of Interior, U.S. Bureau of Reclamation, Ephrata, from 1951, until his retirement in December of 1981. Following his retirement he and Georgia enjoyed several years of traveling in their RV all over the United States. Some of Mervin's favorite activities were playing and teaching duplicate bridge. He started the first bridge club sanctioned by the American Contract Bridge League while at the University of Maine. When he came to Ephrata in 1951, he continued in his passion for playing bridge and became a life master in 1954 at the age of 37. He enjoyed his involvement and serving on the board of directors of the Ephrata Senior Center. He also served as exalted ruler for the Ephrata Elks Lodge, and was a member of the Ephrata Masonic Lodge and the Ephrata Rotary International Club. He enjoyed his bowling league, golfing at Lakeview and Country Club, traveling and camping with his family. Mervin and Georgia became involved in the Marriage Encounter and Cursillo activities. Mervin enjoyed anything having to do with meeting people, making new friends, and traveling. He fell in "love with California." He fell in "love with New Zealand." If he visited a place. he fell in "love with that place and the people he met." His niece wrote this in an e-mail just two days before his passing; "Uncle Mervin has been a strong figure in our family and when that light goes out, there will be a noticeable dimness in the corner of all of our lives that he has touched." His response would be, "Tsk, tsk." He will be greatly missed; he had a very big spirit and filled all those around him with humor, encouragement, wisdom and life! When asked what message he would leave his children and grandchildren, he said, "Your word is your bond. If you say you'll do something, then do it." In lieu of flowers, the family requests donations to Central Basin Home Health & Hospice (311 W 3rd, Moses Lake, WA 98837), or Salvation Army (310 S. Cedar St., Moses Lake, WA 98837.) The Memorial Service will be held Tuesday, Aug. 12, at 10 a.m. at St. Rose of Lima Catholic Church 323 D Street, S.W., Ephrata; followed by a full Military Honors Service at the Ephrata Cemetery.

Curtis, Raymond "Ray" - (The Olympian) (7/13/2008)

Raymond "Ray" Curtis was born September 17, 1944, in Creston, Iowa. He passed away peacefully in his Tacoma home on June 4, 2008. He was 63 years old. He was my dad and the best mechanic around. He was my "Pal". His love and belief in me was unflinching. Whatever we did; riding in Cameo trucks or the Corvette to go buy a coffee, building an enormous swing set, playing chess, or curling up on the davenport to watch TV, he

always wanted me around. I miss you Pal. I miss you so much. You proudly walked me down the aisle when I married Kent. Now, when I look at Mason I think of you. When we go to Falls Terrace I remember good times. You were always my biggest fan. Your steadfast love was mine. You were the one I called when I made mistakes. You taught me how to be a good person, how to treat others fairly, how to share, and how to be a parent. Thanks for making my childhood full of love and wonderful memories. You won't be forgotten. Your three grandchildren (Mason, Elizabeth and Gretchen) are your legacy. I wish I could get just one more hug from you. We will take you back to Iowa where you can rest in peace. To quote you, Pal, "I love you more than a bug'n million, and that's a lot!" Love your Pal, Suzanne (Suzie Curtis) Stottlemyre.

Curtiss, Sanford (Cleveland Plain Dealer) (11/17/2004)

Shaker Heights- Sanford "Sandy" Curtiss, 88, who died Thursday, did public relations work for a wide variety of clients, including four Cleveland mayors, Blossom Music Center and the Greater Cleveland Growth Association. Curtiss, who died at Hillcrest Hospital, also developed the Ohio Media News Wire that served corporations across the state. He retired in 1989. Curtiss, who had a broad knowledge of baseball, coached Little League in University Heights. Because of his love for the sport, a friend who worked for the Cleveland Indians presented him with a mock contract in 1977 to play for the team for a salary of \$1, but not until 2001. Curtiss tried to report to the team as a joke when he was 85. Curtiss was born in Cleveland. He attended Glenville High School and graduated from Adelbert College of Western Reserve University in 1939. Although he started as a music major with plans to become a newspaper music critic, he switched to the more accessible field of public relations when he realized that music critic positions do not become available often. He worked for the Cleveland News - promoting the News Air Cadets - when America entered World War II. He then became a navigation instructor for the Army Air Forces in California. After the war, he handled the Soap Box Derby sponsorship for the News. He operated his own firm for 18 years. His clients included the Mayor's Traffic Safety Education Committee under Mayors Thomas Burke, Anthony J. Celebrezze, Ralph Locher and Carl B. Stokes, as well as businesses and trade associations. Curtiss reviewed popular music performances at Blossom Music Center. That led to a position as the Musical Arts Association's promotions director for Blossom and some events at Severance Hall. He negotiated contracts with music stars, some of whom demanded lavish amenities. Among the easiest to fill were an ironing board for Petula Clark, who pressed her family's clothes; and an oxygen tank for Peggy Lee, who had emphysema. Curtiss lectured on jazz and Jewish History at The Temple. He conducted the orchestra in music productions there. He was a pianist and a composer. He married Shirley Altman in 1950. They had moved to Shaker Heights when she died in 1985. Curtiss is survived by a daughter, Pamela Evans of Orcas Island, Wash.; and a son, Roger of Newbury Township. Memorial donations may be made to the Humane Society of the United States, 2100 L St. NW, Washington, DC 20037.

CURTISS, Margaret Dallier, 88, entered into rest July 17, 2008. Born in Long Island, N.Y., she moved to the Tampa Bay area in the 1940s. She is survived by her husband, Willard "Bill"; son, Douglas A. Dallier; and stepson, Scott Curtiss. Margie was a loving grandmother and a good friend to many.

Margaret or step son Scott (implying that Scott Curtiss was (1) a son of Willard and Ruth Heckeler, and (2) was born after 1952/3 when the Curtis/s Genealogy was published).

If so, then their line is from the Widow Elizabeth of Stratford thus: Rev. Willard Henry Curtiss,(11) Henry Isaac(10), Elmer Arthur(9), Henry Isaac(8), Capt. Isaac Henry(7), Jonathan(6), Jonathan(5), Jonathan(4), Jonathan(3), Capt. Williiam(2), John Curtis(1) and Widow Elizabeth. (AWC)

Fry, Charlotta Curtis - (Merced Sun Star, Merced, CA) (6/18/2008)

Our mother, Charlotta Curtis, would be embarrassed to have her virtues extolled publicly. She has never been one to call attention to herself, preferring instead to stay in the background, supporting, caring for, and encouraging those she loved. However, we her children and extended posterity express publicly our profound gratitude that we were the recipients of her unselfish love, her sustaining support, her constant encouragement, her sense of fun, and her example of personal integrity. As children we were blessed with our mother at home rather than in the work force. She preferred to utilize her energies and her many abilities and talents in supporting us and the organizations and programs we were involved in. Whatever our endeavors, she was always our most stalwart cheerleader. Our mother was born December 22, 1921 to Albert Leroy and Lelia May Fry, and grew up in Washington DC. Her only sibling, Lois Inabinet, currently resides in Arlington, Virginia. She learned to play the piano and utilized this well developed talent playing the piano for her church as a young woman. While working at the Pentagon during World War II , our mother met our father, Mayo Curtis. They courted under the cherry blossoms along the Potomac. He was her lifetime sweetheart and companion. They married at Ft. Leonard E. Wood Military Base, Pulaski, Missouri on October 27, 1944. During their sojourn together they lived in Tuscon Arizona, Ventura California, Menlo Park California, Palo Alto California, Canoga Park California, Houston Texas, and Bakersfield California. She moved to Merced, California in 1997, the year following the death of our father, her husband of nearly 52 years. The Hampshire became her new home and she developed many dear friendships over the next 10 years. During this time, mom valiantly dealt with Parkinson's Disease, but eventually the disease advancement required another move. She was so sad to leave her Hampshire friends. We would particularly like to thank Marodine Converse, Marilyn Mason, Helen Johnson, Maxine Silva, and Marci (now deceased) for their continuing concern and support thru cards and visits after she moved from the Hampshire. We also recognize with love our mother's close friends from childhood, Lorraine Balance and Ruthie Geran. Her move took her to Bobbie's Haven of Rest where Letty administered great doses of tenderness, humor, and love. Bobbie's closure required a final move. Her last home was Terrie's TLC with newest friends Terrie, Maria, Mary Lou, Patty, Edith, Maira, and Susie, who were devoted to her, and whom she loved. The sustained tenderness of their care, and sincere love and concern was beyond anything that we as her family could have ever even hoped for. They became like family. We rejoice in her well lived life, and with love and grateful hearts place our names on this testament of her goodness, love, and devotion to all she knew and loved and called family or friend. Children and spouses: Diane Fitrakis and husband John, Janell Vezzani and husband David, Les Curtis and wife Debbie. Grandchildren and spouses: Danny Johnson and wife Carmel, Kristin Kroh and husband Kurt, Tamara Johnson, Stephen Johnson and wife Yoshiko, David Vezzani and wife

Juventa, Kevin Vezzani and wife Carol, Lisa Vezzani, Michael Vezzani, grand-daughter by mutual love and affection Charlotte Romberg, Andrew Curtis and wife Courtney, Erin Rigby and husband Brian, Kim Weber and husband Scott, Caitlin Curtis, Jacob Curtis, and Joseph Curtis. Great-grandchildren: Liana, Chelsea, Dalen, Robert, Timothy, Jordan, Adelle, Matthew, Rebekah, Willow, and Ashton. Following a brief viewing Friday, June 20th from 3:00pm to 5:00pm at Stratford Evans Merced Funeral Home, Charlotta Curtis will have a private family Memorial Service in Bakersfield, California. She will be buried there by the side of her husband Mayo at Hillcrest Memorial Cemetery. In lieu of flowers, please send donations in memory of Charlotta Curtis to The National Parkinson Foundation at www.parkinson.org.

Morgan, Lucy E. Curtis - (The Burlington Free Press, Burlington, VT) (4/30/2008)

New Hartford, NY - Mrs. Lucy E. (Morgan) Curtis, age 100, a longtime resident of new Hartford, passed away on April 25, 2008, in the Presbyterian Home for CNY, Inc. During her working life, Lucy had been employed as an executive secretary for various insurance and retail businesses. For a number of years she was an executive secretary to the president of the Asgrow Seed Co., of Cambridge, NY, the position from which she retired. A woman of determination, she set her sights and always accomplished her goals. She was exacting in her talents and skills, and extremely organized. She was skilled in knitting, bestowing her handcrafted treasures to family. Lucy was a woman who remained physically active, retained her mental acuity, lived a healthy life style, and indulged in "dark chocolate", a luxury which she was convinced was the reason for her reaching 100. The spirit of diversity of her achievements were remarkable as a University of Vermont alumna, she held the office of class secretary and helped organize reunions; she was a past president of the Salem High School PTA; a longtime organist at her church, St. Paul's Episcopal in Salem, NY; and she was treasurer of the parish and over the years served her diocese in numerous capacities. More recently, she was a representative on the resident council at the Presbyterian Home. Lucy felt that her greatest accomplishment was knowing the blessing of 100 years which enabled her to look over her grandchildren. Lucy is survived by her sons and daughter-in-law George E. and Lorraine S. Curtis of Utica, and William C. Curtis of Virginia; and her grandchildren, Dr. Michael S. and Michelle Curtis of St. Louis, MO, and Melissa R. Curtis of Utica. Survivors also include her nieces, nephews, great nieces, great-nephews. By family request, please omit floral offerings, and please consider memorial contributions in Lucy's honor to the Presbyterian Home of CNY, exclusively for the beautification of the courtyard of the home, or to the New Hartford Public Library.

Von Buseck, Lavina R. Curtiss - (Erie Times-News) (3/1/2008)

Lavina R. Curtiss September 3, 1911-February 22, 2008 Lavina Curtiss (Mrs. Halden), 96, of W. 38th St. in Millcreek, graduated quietly into Eternal Life on the 22nd of February, 2008 while visiting at the home of one of her sons in Bigfork, Mont. Born on September 3, 1911 in the old Family Homestead on W. 38th St., Mrs. Curtiss lived nearly her entire life on what was originally the Von Buseck family farm. She was the younger daughter of Oscar and Margaret Robb Von Buseck. Her father was born in this same family home, lived for

over 100 years, and passed away in the room in which he was born. Mother was the last surviving member of the Millcreek High School Class of 1929 and of the 1933 Hamot Hospital School of Nursing. She was also the eldest descendant of Baron Karl Philip Von Buseck who, with two older sons, left Germany and after a voyage of 75 days, eventually arrived in Erie in 1832. Enthusiastic about the area, he sent for his wife, Albertine, who arrived later with younger members of the family. During her long life, mother was a member of many community and church organizations. She was an incorporator of Hamot Medical Center and for over 50 years a member of the Hamot Aid Society chairing the Student Loan Committee. In the 200 year old history of Westminster Church, she was the first woman elder. She was also the earliest PTA secretary for what was then the new McDowell High School. The former Sunnyside Home for Girls in Girard and the Florence Crittenden Society were her favorite activities. Both mother and dad were members of the Greatest Generation, having graduated from high school in 1929. Many were the personal stories passed on from experiences with the Great Depression and the Second War. For example, Dad, needing work to feed his young family, borrowed a suit and a briefcase from a lawyer cousin and looking official, marched around the employment line at Fisher Body in Cleveland. The ruse so amused an official that dad received a much needed job. Mother enjoyed homemaking, especially cleaning, gardening, traveling, crossword puzzles, and eating out. She very early tired of cooking for four men around her kitchen table! She loved animals, especially her late faithful companion, Pudgy. The little dog accompanied her on her many summer and fall visits to Minden, Ontario, Canada where, since 1933, she spent many happy days among friendly relatives that meant much to her. With her son, Tom, she also attended more than 20 Indy 500 and NASCAR races. And yes, sometimes she wore high heels! Lavina was predeceased by her husband of fifty years, Halden (Shorty) Curtiss, of Erie; and grandson, David Groves Curtiss. She is survived by her three caring sons, Richard of Los Angeles, and Boynton Beach, Fla., Thomas of Erie, with whom she lived, and Dr. Halden of Bigfork, Mont. Grandchildren are Halden III, Jonathan, and Christine Reid; and great-grandchildren, Halden IV, Elijah, Meagan, Katherine, and Lily Grace Curtiss, and Heidi and Micah Reid, all of Montana. Mother was a Lady who left a legacy of poise, elegance, manners and a gracious spirit. Celebration of Life service will be held at Westminster Presbyterian Church, a Community of Faith into which Lavina was baptized in 1911. Services will be conducted on Monday, March 3rd at 11 a.m. with Rev. John Erthein and Rev. Halden Curtiss officiating. Interment will be in Laurel Hill Cemetery. Donations may be directed to Westminster Church, 3642 W. 26th St., Erie, PA 16506, the Hamot Aid Society c/o Hamot Medical Center, 201 State St., Erie, PA 16550, or the charity of one's choice.

...(sent by her son, Richard Halden Curtis, Boynton Beach, FL, Life Member of the Curtis/s Family Society.)

Curtiss, Debra Lin - (The Commercial Appeal, Memphis, TN) (3/6/2008)

DEBRA LIN CURTISS, 49, of Bartlett, Tennessee passed into glory March 3, 2008 while at Methodist Hospital-Germantown. Lin leaves a legacy of love and generosity for her family and friends to cherish. She collected "everything" Scottie and her most favorite was Abegail. She was known for her determination to give away a smile and a reason for hope in the midst of many years of medical drama and torment. She showed us all how to live as Christ. But for her, death had no sting, for her death was swallowed up in victory. We rejoice in her faith and the triumph in her home going. Our grief is turning to laughter as we come together to honor and remember a true friend to the sorrowful and broken and a cheerleader to her friends who could only imagine how she suffered. Her passing took away any more suffering and the awful time she was having trying to decide how to die with dignity from a ten year battle with cancer. God had His plan and called her home before she understood, due to an undiscovered blood disorder. Lin is survived by her husband of 23 years, Peter; her two sisters, Dorothy Ann Willis of Burton, SC and Gloria Parker of Southaven, MS; two step sons, Kevin Curtiss of Southaven, MS, and Scot Curtiss of Bartlett, TN; and three grandsons. Lin has been a member of Ellendale Baptist Church and a member of The Thrivers care group at Bellevue Baptist Church. Lin will be buried in the West Tennessee Veteran's Cemetery on a day next week.
